

The Big Picture

by alamehan.github.io

Tujuan

1. Kenapa mengetahui Big Picture dari bidang ilmu tertentu itu penting? tonton [disini](#), [disini](#), dan rekomendasi buku [disini](#)
2. Memetakan ilmu pengetahuan yang luas dan kompleks menjadi sederhana untuk dikonsumsi (agar tidak overwhelmed)
3. Memberikan ringkasan pengetahuan dunia (world's knowledge) dengan pandangan mata burung (bird's eye view)
4. Expand your horizons! membuka cakrawala dunia, menjelajah ragam pengetahuan (knowledge) dari fundamental (!)
5. Sebagai catatan, gunakan The Big Picture ini hanya sebagai langkah awal Anda dalam belajar ragam pengetahuan (ibarat peta/kompas yang memberikan Anda petunjuk dan gambaran luas secara umum). Lalu untuk memperdalamnya, Anda dapat mencari buku-buku yang sesuai kebutuhan, lihat rekomendasi buku [disini](#). Why? karena referensi yang digunakan The Big Picture ini bersumber dari Wikipedia yang tentunya belum tentu kredibel, namun tetap bisa diambil manfaatnya.
